Hi John & Glenn,

The Bull Claim Hill NOI is ready to approve, but we need John's signature on the revised copy of the NOI.

John, will you please print the last page of the attached document entitled "Quarry NOI revised 7-16-2012.pdf" document and send it to us? The other files are the NOI package that we have reviewed.

We will accept an electronic copy of the signed page, if you can scan and then email the signed page back to me.

Once we receive the signed page either by email or hard-copy, we will notify you by phone or email that you have approval from the Division to proceed with your amended NOI.

Peter
